Join us at this annual event which helps fund the outstanding medical care provided by Miami Children's Hospital and you get to enjoy a beautiful golf outing, and cocktail reception featuring spectacular live and silent auctions.

The Tournament is a great way to network and promote your business via sponsorships and/or auction opportunities.

Organized by a group of compassionate business leaders who care about the health of our children, the goal of the Tournament is to provide an opportunity for others to give back and have some fun at the same time. The funds raised impact hundreds of children and their families through a variety of programs and care provided by Miami Children's Hospital.
