

MIAMI
CHILDREN'S HOSPITAL
FOUNDATION
Funding World-Class Care

Miami Children's Hospital is your exclusive Children's Miracle Network Hospital in Miami-Dade, Broward and Monroe Counties. Children's Miracle Network Hospitals® is an international non-profit organization dedicated to raising funds and awareness for 170 children's hospitals across North America. Its core philosophy is to keep 100 percent of donations in the local area in which they are raised.

For more than a quarter century, all of the funds raised through the Children's Miracle Network Hospitals program locally has helped Miami Children's Hospital provide the finest pediatric care available in a supportive family-centered environment. Children's Miracle Network Hospitals sponsors raise funds year-round, one dollar at a time to help one child at a time.
