

Miami Children's Hospital Foundation's Diamond Society is an exclusive membership designed to honor those who have provided major philanthropic support for Miami Children's Hospital. Diamond Society membership opportunities recognize contributions of \$25,000, beginning with the Champagne Diamond all the way up to the rarest-hue of all, the Red Diamond, for those who reach a level of \$10 million or more.

Diamond Society membership is based on cumulative contributions which enable the donor to move from rare to rarer diamond colors offering additional benefits as one progresses through the levels.
